Booksurge Publishing, United States, 2010. Paperback. Condition: New. Language: English. Brand new Book. On the eve of St. Patrick's Day in 1931, the tranquility of the St. Louis' elegant Compton Heights neighborhood was shattered by a horrific double murder in Tower Grove Park. The victims were the son and heir of one of the City's founding families and an unidentified much younger woman, who was not his wife. Both were brutally murdered in the back seat of his custom-built Madame X model 1930 Cadillac. Shoe Town is the story of the earthquake created by those murders and the aftershocks that would resonate from back alley bootlegging to the Easy Streets of St. Louis Society, and from the smoky backrooms of Missouri politics to the very heights of Democrat party Presidential politics. When an order of nuns turns over a reporter's personal journals that they've been safeguarding for 100 years to a 2031 female news anchor the dark and dirty story of the Tower Grove Park murders and the way St. Louis really worked in the days of The Irish Enterprises finally comes to light. Learn the dark secrets as you also come to understand the wisdom contained in the words of The King of Kerry, Thomas Edward Culhane who observed. "You don't win poker with cards. You win it with balls. It's just like real life.".
