Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Many people start selling on Amazon without completely understanding how Amazon works. Even if you've already done research you may be missing some key facts that could hurt you. You could spend days trying to get snippets of info from different videos or groups and still be lacking important pieces. This book brings the information together in one organized place. The amount of Amazon FBA sellers grew more than 65% last year. Now is a great time to get in on the action. Why Amazon FBA? They ship your orders: Workers pick and pack your orders. You'll get emails when your items are shipped. They take responsibility for any problems shipping to the customer. They handle customer service: They take care of order problems, returns, and requesting feedback for you. This lowers the amount of messages you have to deal with. If someone fails to return the item, you'll get reimbursed. Prime Shipping: Your items are eligible for Prime and the Free Super Saver Shipping on orders over \$35. That means consumers are more likely to spend extra for your items over a non-FBA seller. More Time for You: With Amazon doing the hard work, you can use that time to work on expanding your business or spending more time with loved ones. You'll be more flexible and can do shipments on your schedule. Source: Get insight on using technology to your advantage to find items you can resell. In this book you will find proven examples of places you can source products, and the details you will need to source them efficiently. List: Learn how to successfully list items step by step, and price your items to reap the most profit possible from your...
